Sponsor a Child Filmmaker!

The Bluest Space aims to raise \$6,000 by Friday, April 30th to help provide "filmmaker kits" for our budding filmmakers to produce and edit an experimental autobiographical short film. Each kit contains the following items;

- Composition Notebook
- Mac book Laptop (Equipped with Final Cut Pro x)
- External Hard drive
- Smartphone Rig
- Lighting packs
- Tripod Stand
- Lavalier Lapel Microphone

All donations are tax deductible and positively impact the development of youth.

Registration begins soon!

Moknowsbest's flagship program, the Bluest Space, is a 6-week summer film production intensive that guides, trains, and allows space for kids, ages 10-15, to express their emotions through filmmaking.

Your child is eligible if:

- They live in a home in which one or both parents are absent due to divorce or separation
- they are between ages 10-15
- they deal with; Moodiness (Depression, withdrawal, anger), Lower school performance, Worry about loyalty to both parents, Engaging in risky behaviors (involved in sex or drugs)

Registration and orientation begins May 2023!
