We're preparing for movie time!

Tickets available soon!

Come out for dinner and a movie to learn more about Bluest Space documentary & view the screening of our first-time youth filmmakers!

We hope you can join us!

Time In the Classroom: Parent Review

The Bluest Space Youth Documentary program is one of our favorite intersections connecting home, school, and community.

Meet Shelley Fondren-Judge. Through the Parent Review Q & A, learn about our featured parent's perspective and her daughters experience with the Bluest Space youth documentary program.

MOMENTS that Matter to Your Kids

When you encourage
to express their thoughts & feelings

When you go
on the adventures with them

When you forgive
their mistakes.

When you celebrate
their achievements with them

Cherish the moments that matter to your little ones, for they hold the power to shape their world. Celebrate the magic of parenthood and the beautiful journey of raising remarkable children!
